1. BOOKING

Once a provisional reservation has been made, an option on the date will be reserved for 7 days after which time the reservation will be released automatically if a deposit has not been received. To confirm and secure your reservation, we require a deposit of £1000 and the completed booking form as overleaf. Payment of the deposit confirms your acceptance of the terms and conditions in this document. A further deposit of £1500 is required 12 months prior to your wedding reception. Deposits are non-refundable and non-transferable. We will agree an appointment with you approximately 8 weeks prior to the event to discuss your requirements in finer detail. We require the table plan, place cards and final numbers for the day and evening receptions 7 days before the event. This will be the figure for which you will be charged unless the numbers subsequently increase.

2. PAYMENT

All prices quoted are applicable to wedding receptions taking place before 31st March, 2026 and are inclusive of VAT. The hotel reserves the right to increase its prices to take into account any increases in VAT, inflation or any tax/levy imposed by lawful authority, which was not known at the time of the contract. A pro-forma invoice will be issued 6 weeks prior to the wedding day and is payable at least 4 weeks before the wedding. This invoice will be based on the numbers given at your final meeting and will cover the estimated cost of food, reception drinks, wines and room hire. Actual numbers should be advised 7 days before the wedding and this will form the basis of the final invoice. The final invoice will include a security bond of £500 which will be returned or the balance thereof within 14 days. Any additional charges for goods or services not requested in advance, but provided on the day of the wedding must be settled in full on departure.

3. CANCELLATION

Any cancellation, postponement or partial cancellation should be advised to the Hotel in writing in the first instance. Your cancellation will come into effect on the date that you receive confirmation from the Hotel by email that your booking has been cancelled. In the unfortunate circumstance that you have to cancel or postpone your confirmed booking, all deposits are strictly non-refundable and should be claimed back on your wedding insurance. In the event of a cancellation less than twelve months in advance, a cancellation charge is payable calculated on the following basis. These charges will be inclusive of VAT and made on the estimated food and beverage value and is based on the number of persons attending both day and evening receptions as confirmed at the time of booking, or the confirmed final numbers where provided.
